One-Piece Ceramic Pedestal Sinks

Product Specification Schedule

Model & product type	LX3037 one-piece pedestal washbasin; GEORGE Bathroom model basis.
Listed overall size	400 x 400 x 850 mm listed size
Material & color	Ceramic; white. Any requested color match is specified for the project.
Body & installation	One-piece structure; floor-mounted installation. Fixing hardware and installation details follow the actual fixture connection layout.
Faucet interface	Faucet selected separately. Mounting type, tap-hole arrangement, spout height/reach and supply connections matched to the ordered fixture and tap.
Waste & trap interface	Waste and trap selected separately to match the actual outlet, overflow configuration and building drainage; connection sizes and rough-in positions require the installation drawing.
Order components	Named basin quantity and finish; faucet, waste, trap, fixing components, protective packing, freight and local installation individually listed when supplied.

Pedestal basin finish

White: 400 x 400 x 850 mm listed size

Pedestal Basin, Plumbing Fittings & Separate Bathroom Items

Ceramic basin: LX3037 one-piece floor-mounted basin in white, listed 400 x 400 x 850 mm size and named quantity.

Faucet & drainage: Selected faucet, waste fitting, trap and connection accessories individually itemized; no unlisted plumbing kit included.

Bathroom furnishings: Mirror, lighting, soap shelf, towel fittings and storage cabinets separate from the pedestal basin.

Transport & site work: Protective packing and freight scope identified; unloading, room delivery, fixing, plumbing and site alterations separately priced when required.
