Boucle Upholstered Bench with Sculpted Ash Wood Legs

Product Specification Schedule

Bench configuration	Backless upholstered bench with a rounded long seat and sculpted ash wood base. Cream upholstery and dark wood appearance are shown; two bolster pillows require explicit inclusion in the order.
Selected bench appearance	Cream boucle upholstery over a rounded long seat with dark-toned sculpted ash wood legs. The selected length, fabric composition, wood finish and inclusion of the pictured bolsters are identified in the order.
Listed overall formats	47 L x 20 W x 20 H in; 55 L x 20 W x 20 H in; 63 L x 20 W x 20 H in; 71 L x 20 W x 20 H in. Supplier-listed overall references, not a measured seat-height or photographed-length identification.
Upholstery reference	Boucle upholstery with the pictured cream texture. Fiber composition, fabric code, cushion filling, cover construction and cleaning method are specified for the ordered bench; no natural shearling, wool percentage or washable-cover claim.
Base & finish reference	Ash wood base with the dark-toned sculpted appearance shown. Actual base build, connections, coating, floor-contact parts and supplied fittings are identified for the selected size.
Seat, pillow & room fit	Finished seat height, usable seat area, pillow dimensions, floor footprint and room clearances are separate from the listed overall formats. Required user loads and intended duty apply to the actual construction.
Assembly & delivery scope	Selected length and quantity, agreed fabric/wood references, bolster inclusion, assembly format and fittings. Actual packed dimensions, weight, receiving access and destination complete the supply scope.

Bench appearance

Cream Boucle / Dark Ash: Cream boucle upholstery over a rounded long seat with dark-toned sculpted ash wood legs. The selected length, fabric composition, wood finish and inclusion of the pictured bolsters are identified in the order.

Upholstered Bench, Wood Base, Pillows & Delivery

Individual bench: Selected overall length and quantity with room references; rounded boucle seat and sculpted ash wood base. Bed, bedding and surrounding furnishings are separate.

Fabric, cushion & wood finish: Agreed upholstery code and fiber composition, cushion build, ash wood base construction and finish reference, with the required care and use information.

Pillows, fit & supplied parts: Explicit bolster inclusion and quantities, usable seat/seat-height dimensions, required user loads, base connections and floor-contact fittings.

Packing & destination: Protection for upholstery and wood, assembly format and responsibilities, actual packed size and weight, receiving access and delivery destination.
