Curved Fabric Sofa with a Continuous Seat Cushion

Product Specification Schedule

Sofa configuration	Curved fabric sofa with a continuous long seat cushion, upholstered back and outward arms, loose pillows and dark tapered feet. One white upholstery selection.
Selected upholstery	White fabric curved sofa with a continuous seat cushion, loose pillows and dark tapered feet. Beech wood frame and foam filling are listed; cover construction, foot material and the exact pillow package are specified for the order.
Listed overall dimensions	Width 89.37 in x depth 46.46 in x height 34.65 in. Overall product references, separate from finished seat height, usable seat depth/length, arm dimensions and actual floor footprint.
Frame & filling reference	Internal frame: beech wood. Cushion filling: foam. Actual frame build, suspension, foam density/firmness and any additional filling are specified for the ordered sofa.
Fabric, covers & feet	White fabric upholstery and removable-cover description. Fiber blend, fabric code, cover-removal scope and cleaning instructions are specified. Dark tapered feet shown; actual foot material, finish, fixing and floor-contact parts identified separately.
Seating & pillow package	Listed as seating up to three, with toss pillows included. Usable sitting dimensions, required user loads and pillow quantity, shapes, fillings and coverings apply to the selected package; no certified weight limit is stated.
Assembly & delivery inputs	Confirmed assembly format, supplied fittings and receiving plan. Actual packed dimensions and weight, foot or frame removal if specified, access restrictions, quantities and destination are separate from overall furniture dimensions.

Sofa upholstery

White Fabric: White fabric curved sofa with a continuous seat cushion, loose pillows and dark tapered feet. Beech wood frame and foam filling are listed; cover construction, foot material and the exact pillow package are specified for the order.

Curved Sofa, Covers, Pillows, Feet & Delivery

Individual sofa: Pictured curved fabric-sofa configuration, listed overall size, selected white upholstery, quantities and room references; other room furniture separate.

Upholstery & cushion package: Actual fabric code and composition, cleaning code, cover-removal scope, foam build and firmness, additional filling or extra cover sets only as agreed.

Frame, feet & pillows: Beech-frame construction, actual support and foot material/finish/fittings, required use and user loads, included pillow quantity, sizes and materials.

Packing & destination: Upholstery and foot protection, assembly format and responsibilities, actual packed size/weight, receiving access and delivery destination.
