Black Wood Bench with a Woven Rattan Seat

Product Specification Schedule

Product configuration	Backless freestanding bench with three woven rattan seat inserts, a wood frame and splayed end supports.
Selected frame finish	Black-finished wood frame with three natural-toned woven rattan seat inserts.
Listed overall size	W42.25 x D16.5 x H18.5 in. Overall dimensions are separate from clear seat-insert sizes, table-leg clearance and packing dimensions.
Frame & seat materials	Wood frame and woven rattan seat. Exact wood species and coating specification are confirmed for the ordered bench.
Seat arrangement	Three rectangular woven inserts separated by wood rails; one bench assembly. Insert count does not set an occupancy or load rating.
Assembly & fittings	Assembled or knock-down delivery format, supplied fixings and any floor-contact fittings are identified in the order.
Use & duty requirements	Interior dining, entryway or bed-end selection. Commercial-duty, loading and any exposure requirements need a confirmed basis for the actual bench.

Bench finish
