Smoked Glass Bar Cabinet with Wood Drawer Storage

Product Specification Schedule

Furniture configuration	Freestanding framed display and liquor-storage cabinet on raised legs, with tinted glass doors, internal shelves and wood drawer storage.
Selected cabinet	Smoked-glass doors, display shelves and wood drawer storage, with walnut and aluminum alloy as the listed material selection.
Material selection	Walnut and aluminum alloy, with tinted glass. The order identifies the wood build-up, metal finish and glass specification for the assembly.
Display storage	Shelving behind glass doors for bottles and barware; clear openings, shelf arrangement and required loading are defined for the ordered cabinet.
Drawer storage	Wood drawer storage within the cabinet. Drawer count, internal size, hardware and extension are confirmed for the selected assembly.
Overall size & access	Overall width, depth and height require confirmed units for the order. Door travel, drawer access and the receiving route are coordinated with that actual size.
Furniture & accessory scope	Cabinet furniture selection. Bottles, glassware, lighting and temperature-control equipment are separate items unless specifically identified in the order.

Cabinet configuration

Smoked Glass: Smoked-glass doors, display shelves and wood drawer storage, with walnut and aluminum alloy as the listed material selection.

Glass Cabinet, Storage Fittings & Delivery Package

Cabinet furniture: Smoked-glass cabinet with framed doors, display shelves, wood drawer storage and raised-leg base; quantity by room or location.

Materials & visible finish: Walnut specification, aluminum-alloy frame or trim details, glass selection and agreed surface references.

Size, hardware & restraint: Confirmed overall and internal dimensions with units, door and drawer hardware, supplied fittings and any required restraint arrangement.

Packing, freight & extras: Glass and finished-part protection, actual carton or crate dimensions and weight, destination and receiving scope. Barware and electrical accessories are separately itemized.
