Double Vanity Cabinet with a Lower Seated Makeup Counter

Product Specification Schedule

Cabinet layout	900 mm basin cabinet + 1200 mm lower dressing bay + 900 mm basin cabinet; selected made-to-order configuration.
Cabinet and dressing finish	Warm-white lacquer cabinet fronts with an oak-veneer dry dressing top; quartz basin tops separately itemized
Nominal overall run	3000 W x 550 D mm before additional site fillers. Basin counter height: 850 mm; lower dressing counter: 750 mm.
Selected cabinet build	18 mm plywood cases and shelves; supported 6 mm backs. Two 18 mm center panels bear the dry dressing top.
Seated counter opening	1200 mm bay; 20 mm finished dry-use top. Clear knee opening: 1164 W x 730 H mm, without a center drawer or plumbing.
Basin tops and cutouts	Selected 20 mm white quartz tops, sink bowls and faucets itemized separately. Actual basin models control cutouts, support and plumbing.
Mirror, stool and site work	Mirrors, movable stool, lighting, electrical work, wall preparation and plumbing connections are separate items.

Vanity finish pairing

Warm white & oak: Warm-white lacquer cabinet fronts with an oak-veneer dry dressing top; quartz basin tops separately itemized

Double Vanity Cabinets & Separate Bathroom Items

Cabinet package: Two basin cabinets with paired hinged doors, center support panels, lower oak-veneer dressing top and scheduled finishing pieces.

Hardware and finish: Concealed door hinges, pulls and selected internal shelves; warm-white lacquer fronts and oak-veneer dressing surface.

Separate tops and accessories: Quartz basin tops, sink bowls, faucets, mirrors, stool, organizers and lighting, each listed by selection.

Delivery and site installation: Packing and freight as quoted; duties, unloading, anchoring, top fitting, sealing, plumbing and electrical work assigned separately.
