Oak-Veneer Media Cabinet with a Glazed Display Bay

Product Specification Schedule

Cabinet configuration	Oak-veneer cabinet with dark closed fronts, an open right display bay, a horizontal glazed shelf and a separate top inset.
Material package	White oak veneer body, brushed gunmetal-black lacquered panels, gold-tinted laminated glass and LED strips, with black-titanium-finished stainless-steel leg components. Selected project layout: 2000 W x 460 D x 855 H mm.
Body and fronts	White oak veneer body with brushed gunmetal-black lacquered panels; substrate, edges and opening fittings individually specified.
Selected project layout	2000 W x 460 D x 855 H mm outside envelope; final clear openings and component sizes follow the cabinet drawing.
Glazing and lighting	Gold-tinted laminated glass and LED strips; glass build, fittings, driver, controls and connection requirements separately identified.
Leg components	Mirror-finish stainless-steel hardware legs with a black-titanium coating; connections and floor-contact pieces scheduled.
Equipment and delivery	Device fit, cable and heat-clearance requirements, quantity, packing, receiving and local-work scope recorded with the order.

Oak, Dark Fronts and Glass

Oak Veneer, Dark Fronts & Tinted Glass: White oak veneer body, brushed gunmetal-black lacquered panels, gold-tinted laminated glass and LED strips, with black-titanium-finished stainless-steel leg components. Selected project layout: 2000 W x 460 D x 855 H mm.

Oak-Veneer Glazed Media Cabinet Supply Scope

Cabinet assembly: Veneered body, selected closed fronts, open display bay, glazing and specified supporting components.

Appearance and lighting: Oak and dark-front references, tinted laminated glass and the selected LED-strip, driver and control package.

Room interfaces: Selected 2000 W x 460 D x 855 H mm envelope, equipment openings, cable routes and separately identified local power or restraint work.

Separate supply and work: Packing, freight, handling and agreed assembly or placement itemized; media equipment and decorative objects separate.
