425 mm Textured Round Countertop Basin

A round above-counter basin with a fine raised texture on the outside and a smooth white bowl. The 4006 is 425 mm across and 160 mm high, a size that leaves usable counter space on standard vanities.

Specifications

Model	4006
Color	White
Overall size	425 × 425 × 160 mm
Installation	Above-counter
Shape	Round, single bowl
Exterior	Fine raised texture
Interior	Smooth bowl
Minimum order	Quoted per model at your project quantity. Where a factory model has a production minimum, the quotation states it; small quantities can ship with the rest of your project in one container.
Standards & certificates	Tell us the standards or certificates your market or project requires, and we confirm in writing which documents are available for this configuration before you order.

How We Quote the 4006

Priced per basin

The quotation covers one 4006 basin, boxed for export. Mixers and wastes are priced as their own lines.

With vanities

We quote the basin with vanity cabinets and stone tops cut for it, so the parts arrive matched.

Room types

Hotel and apartment orders are quoted per bathroom type, with quantities labeled for each.

Packing

Each basin is packed individually for export, palletized for larger orders.
