WB-2906B Compact Wall-Hung Bathroom Sink

A compact wall-hung basin with a curved front and a short shroud that hides the waste. The WB-2906B is 545 mm wide, projects 435 mm from the wall and leaves the floor below clear.

Specifications

Model	WB-2906B
Color	White
Overall size	545 W × 435 D × 450 H mm
Mounting	Wall-hung
Front	Curved
Lower part	Short shroud covering the trap
Use	Compact bathrooms and washrooms
Minimum order	Quoted per model at your project quantity. Where a factory model has a production minimum, the quotation states it; small quantities can ship with the rest of your project in one container.
Standards & certificates	Tell us the standards or certificates your market or project requires, and we confirm in writing which documents are available for this configuration before you order.

How We Quote the WB-2906B

Priced per basin
The quotation covers one WB-2906B with its shroud, boxed for export. Mixers, wastes and fixing kits are priced as their own lines.

Matching fittings
We quote one-hole basin mixers, bottle traps and wall fixings to go with it.

Room packages
Apartment and hotel orders are quoted per bathroom type with the toilet, shower and tile.

Packing
Each basin is packed individually for export, palletized for larger quantities.
