# Custom Stacked Washer-Dryer Tower Cabinet

**Product Specification Schedule**

| | |
|---|---|
| **Cabinet configuration** | Custom open-front surround for a compatible stacked washer and dryer, with independently supported upper storage; appliances separate. |
| **Configuration options** | Warm-white melamine cabinet panels and upper cupboard fronts; selected plywood structural body; Oak-veneer visible panels and upper cupboard fronts; selected plywood structural body |
| **Selected tower allocation** | 900 W x 2500 H mm including side fillers; planning depth 950 mm. Selected order basis, revised to actual room and appliance documents. |
| **Selected clear opening** | 800 W x 2200 H mm from the room floor; upper cupboard band 300 H mm. Two 18 mm sides+two 32 mm side fillers complete the 900 mm planning width. |
| **Selected cabinet construction** | 18 mm plywood structural sides and cupboard components; supported 6 mm back only in closed storage. Appliance service zone left open. |
| **Appliance and utility interfaces** | Washer on suitable floor; dryer supported by matched appliance/stacking system. Clearances, outlets, water, drains and dryer routing by actual model installation documents. |
| **Quote scope** | Cabinet panels, upper cupboard, fronts, identified access parts and fittings. Machines, stacking kit, utility work, packing, freight and installation separately itemized. |

### Laundry tower cabinet front

Warm-white melamine: Warm-white melamine cabinet panels and upper cupboard fronts; selected plywood structural body

Oak veneer: Oak-veneer visible panels and upper cupboard fronts; selected plywood structural body

### Stacked Laundry Cabinet Quote Scope

Cabinetry: Structural sides, upper cupboard, fronts, fillers and identified finished panels.

Fittings and access: Upper-door hardware and scheduled removable service or ventilation parts.

Separate equipment: Washer, dryer and matched stacking kit only where individually named; no cabinet shelf carrying the appliance stack.

Delivery and trade work: Packing and freight, cabinet fixing, appliance installation and utility connections separately stated.
